

Patriots!

Tired of politics as usual? Sick of Washington and Lansing's games?

Time to take a STAND!

We need your help to take back America. The Campaign Committee for Michigan Conservatives is committed to electing traditional conservative candidates to public office regardless of party affiliation. We need honest Americans to serve the public and will be working tirelessly to get them elected. We would like you to volunteer with your time or your donation. From stuffing envelopes to making phone calls, we need every Patriot to get involved. You made a stand at the tea party, now make a stand in this election.

Please go to www.campaigncommitteeformichiganconservatives.org to sign up. This is the time to tell Washington and Lansing we are tired of the backroom deals and politics as usual.

America Rising November 2010
